To

The Chief Secretary to the
Government of Mysore

Sir,

I have the honor to submit herewith Copy of Comptroller's letter No 1389 of the 6th July 1891 together with Copy of the Telegram therein referred to, on the subject of charging a Commission of 4 annas per cent on all the Currency notes Cashed in the District and Taluk Treasuries at Tumkúr, and to state that the necessity for such procedure appears to have arisen owing to great demand for Cash at the time, but under the present altered Circumstances such a Course does not seem to me to be desirable. I therefore request the favor of being informed whether the practice in question which obtains only in this District may be discontinued.

Tumkur

Sir,

In forwarding Copy of the enclosed Telegram from some merchants of Tumkur to the Dewan, I have under instructions to request that sufficient Cash may be maintained in the District Treasury for Cashing Currency Notes. As this throws unnecessary trouble on the Treasury and necessitates maintenance of a larger Cash balance than what is required for purely Government purposes, a Commission of 4 annas per cent should be charged on all Currency notes Cashed in the District and Taluk Treasury at Tumkur

Revenue and General Departments.

Sir,

I have the honor to advert to Government Proceedings No. 5413-4 G. 1332-92 dated 15th October 1892 regarding the charge of a Commission of ¼ Rupee per cent on Currency notes tendered for encashment in the District and Taluk Treasuries at Tumkúr and to state, that the arrangement of levying the Commission was ordered by the Comptroller in July 1891. on the representation of the Merchants of Tumkúr that it was difficult to cash Currency notes owing to absence of sufficient Cash in the Government Treasuries at Tumkúr. An Exception was however made by the Comptroller with regard to notes presented by the Missionary in charge of the Wesleyan

Mission Orphanage at Tumkur on the ground that the funds were utilized for charitable purposes. Under these orders, all notes presented by the Missionary are exempted from payment of the Commission, whether the money realized is devoted to charitable purposes or spent for his domestic purposes, while the Government Officials and the Public in general have to pay the Commission. The charging of a Commission was justified by the large demand there was for cash in the peculiar conditions of the year 1891-92 A large amount of cash had to be maintained at the Treasuries at the District Head Quarters. But these conditions have long since passed away and there is now no occasion either for getting specie remittances from other Treasuries for the purpose of meeting the demand on account of Currency notes or

for maintaining a larger cash Balance than is required for the Government purposes at the District and Taluk Treasuries at Tenkasi. Notes are cashed without any charge at other Taluk Treasuries in the District and I do not see why the Commission should be levied only at the District Head Quarters.

2. The receipts from this source from 1891-92 to 1894-95 are shown in the margin. It will be seen therefrom that during the last two years the amount of Commission realized has not gone higher than Rupees 1-10-0. for a year.

3. Under these circumstances I venture to bring the matter to the notice of Government in the hope that the levy of the Commission may be ordered to be discontinued.

Has the honor to forward herewith copy of letter No 668 dated 15th February 1896 from the Deputy Commissioner of Tumkur and to request he will be so good as to state whether in his opinion the levy of a Commission of ¼ Rupee per cent on Currency notes cashed at the District and Taluk Treasuries at Tumkur should still be continued.

Enquiries also under what circumstances — and to what extent an exception in levying

the commission was made in favour of the Wesleyan Mission Orphanage at Imukuru.

From

To

The Secretary to the Govt. of Mysore,
General and Revenue Depts.

Sir,

With reference to your Docket No. 8260/Fl 5-34 dated 9/12 March 1896 I have the honor to state that since 1893-94 Currency Notes cashed in the Tumkur District amounted to very small figures and that the cash balances in the District and Taluq Treasuries proved sufficient to meet this small demand

The levy of Commission for the encashment of Currency notes in this District may therefore be abolished for the present

A

A reference is invited to this office letter No. 1743 dated 29th July 1891 in which it was reported to Government that on the representation of the Treasury officer Tumkur, he was permitted to excuse the levy of Commission in the case of Currency Notes cashed by the Wesleyan Mission Orphanage as it was a Charitable institution.
